

I would like to thank all members of the committee for their efforts and in particular non-member, Jim Marshall and Ross King who helped me this year with the Car Boot sale; in the last two years it has raised almost £600.00, so please think about donating unwanted items, if we can't store them we will make a plan. The unsold items were given to The Shaw Trust and Wiltshire Air Ambulance.

We thank our landlords Pam and Adrian Hampton for their support and use of the hall. Thanks go to Denise Grace for looking after the hall, cleaning and tidying. Its sad we lost Martin Grech's invaluable contribution keeping the elements out and constructing the stage for the pantomime his constant commitment and loyalty is an example to us all.

Our committee is looking for new members whose support and vision is vital as we continue fund-raising activities and developing new ideas to enable the current hall to remain viable and with all its imperfections a convincing case for obtaining Lottery Grants soon.

Richard Loraine-Smith  
ERLESTOKE VILLAGE HALL
